COMPLETE COVERAGE EVERYWHERE YOU NEED IT.

At Dayton Parts, we’re more than just spring, steering and suspension products. We’re everything you need, wherever you need it. From coast to coast, and small towns to metropolitan cities. Over interstate highways, through rural routes and across borders. Dayton Parts offers complete coverage to keep you moving, wherever you are.

From 1922 when we began as Harrisburg Stanley Spring Works, our mission has been clear – to offer quality products at numerous price points allowing you to spec exactly the right part for your application. Today we are the largest manufacturer of leaf springs in the United States and a leading full-line commercial vehicle aftermarket supplier. Our expansive portfolio of over 45,000 SKUs includes the top-quality products and the foremost brands you need for more uptime and productivity.
